

Curriculum Vitae

Personal information **Malak About Taam**

Work experience

1. Employer: ANSM
 - Start date: 022021
 - End date:
 - Position: Head of Department
 - Activities: Pain, Anesthesia, Rheumatology and Addiction medicines Drug safety and authorisation
 - Country: France
2. Employer: ANSM
 - Start date: 072017
 - End date:
 - Position: Drug safety assessor
 - Activities: _ Drug safety assessment _ Put in place Professional training _ Improvement of assessment methodologies
 - Country: France
3. Employer: Regional Center of Pharmacovigilance, University Hospital of Paris
 - Start date: 112016
 - End date: 052017
 - Position: PharmD, drug safety assessor
 - Activities: _ Drug safety assessment activities _ Put in place Professional training and SOP
 - Country: France
4. Employer: Regional Center of Pharmacovigilance and Pharmacoepidemiology, University Hospital of Reims
 - Start date: 122012
 - End date: 102016
 - Position: Associated Director, PharmD
 - Activities: _ Drug safety assessment, management activities, put in place professional training, SOP and stimulated notification Pharmacovigilance Pharmacoepidemiology Department _ Teacher, Pharmaceutical School University _ Teacher, Pharmacovigilance, Risk Management Module Medical School, Reims University
 - Country: France
5. Employer: University Hospital of Bordeaux, Limoge and Toulouse
 - Start date: 112009
 - End date: 102012
 - Position: Resident
 - Activities: _ Pharmacovigilance (1.5 year) including one year _ Pharmacovigilance Pharmacoepidemiology Department University Hospital of Toulouse, France (Pr Montastruc) _ Clinical Pharmacy and patient education (2 years) Rounds in differents departments : intensive care, urology, nephrology, oncology and psychiatry _ Pharmaceutical technologies (6 months) Reconstitution unit of cytotoxic,
 - Country: France

Education and training

1. Subject: Bordeaux University 2
 - Start date: 112009
 - End date: 102012
 - Qualification: PharmD and DESS
 - Organisation: « Acquired Haemophilia : prospective and retrospective study in Toulouse University Hospital »
 - Country: France
2. Subject: University Bordeaux 2
 - Start date: 2013
 - End date: 2014
 - Qualification: Courses of PharmacoEpidemiology and Pharmacovigilance
 - Organisation: Pharmacoepidemiology and pharmacovigilance assessment Interpretation and critical assessment of observational data Put in place observational studies
 - Country: France
3. Subject: University Lyon 1
 - Start date: 2013
 - End date: 2014
 - Qualification: Courses of interpretation of Clinical Trials
 - Organisation: Interpretation and critical assessment of clinical trials
 - Country: France
4. Subject: Université Paris 6
 - Start date: 2009
 - End date: 2010
 - Qualification: Diplôme Inter Universitaire CESAM (Centre d'Etude Statistique Appliquée à la Biologie Médicale) », module essais cliniques
 - Organisation: Statistics Critical assessment of clinical trials and statistical data
 - Country: France
