Union Product Database Webinar for UPD Industry users – Product grouping and 3rd country product names

18 September 2023, 14:00 – 15:00 CEST
Webinar: WebEx

This event is a webinar for Industry stakeholders wishing to learn more about the MAH User Interface functionality to group essentially similar products together (released with version 1.6.28 on 7 July 2023) and the MAH possibility to match a non-EEA product name with a product authorised within the EEA (to be released with version 1.6.34 on 15 September 2023). During the session, these processes will be demonstrated.

A video recording of the webinar will be made available after the event.
