Procedural steps taken and scientific information after the authorisation\*

\*Due to the Agency's update of its procedure management systems, an additional document, reflecting the historical lifecycle may be available in the 'Assessment history' section. For the complete product lifecycle procedures, please also refer to **EPAR - Procedural steps taken and scientific information after authorisation (archive)**.

| Application number | Scope | Opinion/               | Commissio             | Product               | Summary |
|--------------------|-------|------------------------|-----------------------|-----------------------|---------|
|                    |       | Notification           | n Decision            | Information           |         |
|                    |       | <sup>1</sup> issued on | Issued <sup>2</sup> / | affected <sup>3</sup> |         |
|                    |       |                        | amended               |                       |         |
|                    |       |                        | on                    |                       |         |

<sup>&</sup>lt;sup>1</sup> Notifications are issued for type I variations and Article 61(3) notifications (unless part of a group including a type II variation or extension application or a worksharing application). Opinions are issued for all other procedures.

<sup>&</sup>lt;sup>2</sup> A Commission decision (CD) is issued for procedures that affect the terms of the marketing authorisation (e.g. summary of product characteristics, annex II, labelling, package leaflet). The

CD is issued within two months of the opinion for variations falling under the scope of Article 23.1a(a) of Regulation (EU) No. 712/2012, or within one year for other procedures.

<sup>&</sup>lt;sup>3</sup> SmPC (Summary of Product Characteristics), Annex II, Labelling, PL (Package Leaflet).

| Variation type IA / | A. ADMINISTRATIVE CHANGES - A.7               | 07/03/2024 | Annex II and |  |
|---------------------|---|------------|--------------|--|
| EMA/VR/0000170853   | Deletion of manufacturing sites for an active |            | PL           |  |
|                     | substance, intermediate or finished product,  |            |              |  |
|                     | packaging site, manufacturer responsible for  |            |              |  |
|                     | batch release, site where batch control takes |            |              |  |
|                     | place, or supplier of a starting material,    |            |              |  |
|                     | reagent or excipient (when mentioned in the   |            |              |  |
|                     | dossier)* - Accepted                          |            |              |  |
|                     |   |            |              |  |
